

Career Opportunities

Aseana Holdings Inc.

Formed in 2003, Aseana Holdings Inc. was organized to cater to the development potential of Aseana City (www.aseanacity.com). Aseana City is a 204 hectare business, lifestyle and entertainment destination fronting Manila Bay. Among its key locators are the PAGCOR Entertainment City, SM-Belle Casino Development, Alphaland Bay City, Megaworld Bayshore Project. Other major developments within the immediate vicinity include the SM Mall of Asia and Federal Land's MetroPark. The company is in various stages of developing various properties in Aseana.

Our deep experience in the development arena, coupled with our commitment to quality and professionalism, uniquely position Aseana Holdings Inc. to offer a full range of services and to meet the diverse challenges of developing a new product.
